

Juan José Álvarez Ocampo

juanjosealvarezag@gmail.com • +57 304 5415993 • Medellín, Colombia

Professional Profile

Computer Science student with a focus on software development, data engineering, and process automation. I have a solid foundation in programming logic and computational thinking, along with academic experience building solutions using various languages and technologies.

I am a fast learner, a team player, with a strong focus on solving problems efficiently. I am seeking opportunities to apply my knowledge in real-world environments and continue strengthening my technical skills.
